Dear Mr.Muralidharan,

I would like thank you for the 5s Workshop which you lead in our Coimbatore Production Office last month. We really enjoyed the workshop and the way you engaged the entire team on all the three days was inspiring.

We could see tremendous change in the Culture of Workplace management by the team after the workshop and the most important point is that the team is very motivated to follow it on a daily basis and sustaining all the good practices implemented during the workshop.

Thanks and appreciate your contribution.

We wish you all the very best!!!

Yours Truly
